Natalie Hefner ***Cosmetology, Diploma***

“My biggest dream was to work in a salon one day,” says Natalie Hefner, who graduated in 2012 with a Cosmetology diploma from Cleveland Community College. Before coming to CCC, Hefner worked in the fast food industry, but says she always knew she wanted to work in a salon and knew just where she needed to start to fulfill this dream.

Hefner says she choose CCC because of great things she heard from recent graduates, “I’ve always been told great things about the cosmetology department, and everything I was told, was right,” said Hefner.

Hefner expressed great appreciation for the guidance from knowledgeable instructors at CCC, “Mrs. Wright, Mrs. Byers, and every instructor in the cosmetology program is great. They always want to go the extra mile to see you be successful”. Hefner also says, “The classes aren’t too big, so the instructors know everyone by name. I would recommend anyone seeking higher education, to start at CCC.”

Since graduating, Hefner is now working as a stylist at Raffles Salon in Cleveland Mall, “Getting this diploma at CCC has definitely made my dream come true,” she adds.
