

Computed Tomography and Magnetic Resonance Imaging-2019

***Reminder: The official and preferred means of communication at CCC is through student email. For more information on setting up your student email account, visit our website at www.clevelandcc.edu.*

Step 1: Admissions Criteria: (must be completed prior to June 1, 2019)

	Check if complete
<ul style="list-style-type: none"> • Current application for admission to CCC **All Computed Tomography and Magnetic Resonance Imaging applicants must attend an Allied Health Information session either prior to being considered for admission and declaring CT or MRI as their program of study. Please contact the Admissions Office at 704.669.4081 for details regarding the Allied Health Information session. 	
<ul style="list-style-type: none"> • Official college transcript documenting an Associate in Applied Science in Radiography, Nuclear Medicine, or Radiation Therapy from a JRCERT or JRCNMT accredited institution 	

Step 2: Students completing Step 1 prior to the deadline are eligible for step 2

Students who do not complete requirements by stated deadline will forfeit their position in the program.

	Date received
<ul style="list-style-type: none"> • Complete an MRI screening form and be cleared by CCC MRI instructor to practice in a magnetic field environment 	
<ul style="list-style-type: none"> • Documentation of current BLS CPR certification 	
<ul style="list-style-type: none"> • Receipt of essential functions and task inventory 	
<ul style="list-style-type: none"> • Student medical form for NC Community College Institutions 	
<ul style="list-style-type: none"> • Submission of the following immunizations: MMR (2 or titer) Varicella (2 or titer) Hepatitis B (3 or titer) TB (2 tests one week apart) DTP Td Flu (during flu season) 	

Measurement	Max points	Actual score	Points scored
<ul style="list-style-type: none"> References (max 6 points) <p>Three references within one year prior to the application deadline. New references must be submitted each application period. No family members or friends; two of the three references must be professional references. Reference forms will be mailed to students in Step 4. Students without three references will not move on to the next step.</p> <p>Endorse with enthusiasm (2 points) Endorses (1 point) Do not endorse (0 points)</p>			
Reference 1	2		
Reference 2	2		
Reference 3	2		
Total points	6		

Measurement	Maximum points	Actual number of years worked	Point value
<ul style="list-style-type: none"> Preference for work experience <p>Applicants who have been working in the radiography field will receive points based on their years of experience.</p>			
5+ years of experience	3		
3-5 years of experience	2		
1-3 years of experience	1		
< 1 year of experience	0		

	Date of registration
<ul style="list-style-type: none"> Documentation of current ARRT registration in one of the following categories prior to completion of CT and/or MRI program(s): Radiography Nuclear Medicine Radiation Therapy <p>*NOTE: no certificate/diploma will be awarded until proof of ARRT registration provided.</p>	

Upon completion of the rubric requirements, selected students are given provisional acceptance until all pre-program start date requirements are met (background check, drug screen, additional clinical observations, facilities and program orientations, etc.)

***CCC has established admissions and selection procedures to ensure students are admitted and selected in a fair and equitable manner. The admissions and selection rubric is only intended to provide students with a checklist to assist in identifying program eligibility requirements, while outlining the admissions/selection process. This rubric is for student use only and does not serve as the official record of calculated points. This rubric does not replace the official program requirements as described under the Programs of Study section of our website at www.clevelandcc.edu.*
