CLEVELAND COMMUNITY COLLEGE

Shelby, North Carolina 28150  
March 19, 1991

The Cleveland Community College Board of Trustees met on Tuesday, March 19, 1991 in the board room of the College.

TRUSTEES PRESENT: Chairman John F. Schenck, III; Vice Chairman Hoyt Q. Bailey; David S. Banks; R. Howard Bryant; Elsie Enloe Foster; Stuart H. LeGrand; Deborah H. McCartney; Brooks E. Piercy, Sr.; Jeanne G. Spragins; and Dr. L. Gene Yarboro.

TRUSTEES ABSENT: Grady K. Howard; Dr. Charles G. Lampley, III; and ex officio member Amy Bowman, President of the Student Government Association.

OTHERS PRESENT: Dr. L. Steve Thornburg, President; Dr. Noel R. Lykins, Executive Vice President; Tommy Greene, President of the Faculty Senate; Patricia H. Anderson, secretary to Dr. Thornburg; and Donna Clemmer, reporter for THE SHELBY STAR.

The meeting was called to order by Chairman Schenck.

Chairman Schenck asked for a motion to approve the minutes of the January 15, 1991 meeting. The motion was made by Mr. LeGrand and seconded by Mr. Bryant. The motion was approved.

Mr. LeGrand reviewed the array of inaugural month events in April and the committees working on the various activities. The Inauguration of Dr. Thornburg will be April 25 at 1:30 p.m., with a reception following. He noted that Mr. Banks had worked closely with the Steering Committee to help raise funds to cover expenses for the inaugural month activities and the inaugural ball that will serve as a fundraiser for the Cleveland Community College Foundation.

Dr. Lykins reported that the College's Spring Quarter enrollment is 1,522 students--a 20 percent increase over last Spring, and the largest Spring enrollment since the Spring of 1976. In response to a question from Mr. Bryant regarding the percentage of Cleveland Community College students who go on to seek a four-year degree, Dr. Lykins indicated that the figure is around ten percent. Dr. Lykins pointed out that the Associate in Arts and Associate in Science degree programs are only three years old and are continuing to increase in enrollment.

Dr. Thornburg gave an update of the recent visit of the reaccreditation team from the Southern Association of Colleges and Schools. The preliminary report on their findings related to the College's Self Study report should arrive soon. The College's

staff is working on the written response to the report based upon the oral exit report. A written response from the College is due by October 1. Dr. Thornburg was pleased that the College had anticipated the need to address all but two minor aspects of the Association's criteria before the team's visit, and had documented those concerns in the Self Study report. Mr. Bailey described the Team's response to the College as "exuberant."

Chairman Schenck noted that Dr. Thomas Barton, President of Greenville Technical College and a Visiting Team member, has invited the Board of Trustees to visit his school, tour the facilities, and examine the curricula. The Board agreed that Mr. Schenck should set a date with Dr. Barton on a Tuesday after Dr. Thornburg's inauguration and if possible use the trip as a working meeting that will count as the May meeting of the Board of Trustees.

Dr. Lykins reported on the reviewing of contracts in the accreditation process for the Radiologic Technology program and recommended that Crawley and Rutherford hospitals be added to the existing contracts with Cleveland Memorial and Kings Mountain hospitals. Chairman Schenck asked for a reading of the motion: THE BOARD OF TRUSTEES OF CLEVELAND COMMUNITY COLLEGE APPROVE THE RADIOLOGIC TECHNOLOGY PROGRAM AFFILIATION AGREEMENTS BETWEEN THE COLLEGE AND THE FOLLOWING FOUR HEALTH CARE PROVIDERS: CLEVELAND MEMORIAL HOSPITAL; CRAWLEY MEMORIAL HOSPITAL; KINGS MOUNTAIN HOSPITAL; AND RUTHERFORD MEMORIAL HOSPITAL. The motion to approve was made by Mrs. Spragins and seconded by Mr. Banks; the motion was approved.

Dr. Thornburg reported on the March 18 kickoff meeting of the Tech Prep program involving the three school systems, the College, and business and industry. He described the keynote speech as almost a "Future Shock" kind of experience because of Dr. Daggett's description of the effects of technology on employment trends, with the largest employers (presently the fast food providers) projecting 80% fewer employees due to automation. He noted that Tech Prep is moving forward in Cleveland County even in the absence of a grant, guided by 14 trained committees spanning everything currently taught at middle school, high school, and community college levels. Current statistics indicate that students are not being driven away because of higher expectations in Tech Prep and that a survey of Richmond County Tech Prep participants showed that 67 percent of 1989 high school graduates in Tech Prep went on to postsecondary education.

In the President's Report, Dr. Thornburg shared information about the continuing evolution of the enrollment management process, which involves marketing/advertising, a new College logo; an updated College seal for official documents; the rationale behind the wording in the College's ads; dealing with students at the College through counseling; the hiring of a new admissions counselor-recruiter, Caroline Moore; the Faculty Senate's unanimous endorsement of the wearing of academic regalia for all graduation

ceremonies as a celebration of student achievement; the College's quarterly convocation on March 20; Mr. LeGrand's work on the Inauguration and related events which celebrate the College's achievements as part of its 25th anniversary year; the College's 25th annual graduation to be held in the Spring; the updated newsletter with the new logo and new title: Cleveland Today; and the literacy program's successful publicity initiative with Arby's restaurant. He closed his report by distributing keepsake coffee mugs embossed with the old seal of the College.

**OTHER BUSINESS:** Chairman Schenck asked whether any official communication of appreciation had been made to Arby's. Dr. Thornburg responded that it had and added that Arby's also plans to offer billboard space.

Chairman Schenck asked for a motion to go into executive session for discussion of a personnel matter. The motion was made by Vice Chairman Bailey and seconded by Mr. Banks; the motion was approved.

Upon reconvening after executive session no official action was taken and the meeting was adjourned by Chairman Schenck.

Official Minutes of the Board of Trustees  
Cleveland Community College  
137 South Post Road  
Shelby, North Carolina 28150  
May 21, 1991

The Cleveland Community College Board of Trustees met on Tuesday, May 21, 1991 in the board room of the College.

**TRUSTEES PRESENT:** Chairman John F. Schenck, III; Vice Chairman Hoyt Q. Bailey; David S. Banks; R. Howard Bryant; Elsie Enloe Foster; Dr. Charles G. Lampley, III; Stuart H. LeGrand; Deborah H. McCartney; Brooks E. Piercy, Sr.; Jeanne G. Spragins; and Dr. L. Gene Yarboro.

**TRUSTEES ABSENT:** Grady K. Howard; and ex officio member Amy Bowman, President of the Student Government Association.

**OTHERS PRESENT:** Dr. L. Steve Thornburg, President; Dr. Noel R. Lykins, Executive Vice President; C. Edwin White, Vice President of Instruction; Tommy Greene, President of the Faculty Senate; Caroline Moore, admissions counselor; Patricia H. Anderson, secretary to Dr. Thornburg; and Donna Clemmer, reporter for THE SHELBY STAR.

The meeting was called to order by Chairman Schenck.

Chairman Schenck asked for a motion to approve the minutes of the March 19, 1991 meeting. The motion was made by Mr. Bryant and seconded by Mr. Piercy. The motion was approved.

The Chairman asked Dr. Thornburg to explain the Institutional Budget Plan for 1991-92. Dr. Thornburg provided copies of the preliminary plan and explained that the official budget would be formulated after the legislature acts and the county has approved its budget. The budget plan presented to the Board was based on 1990-91 state appropriations and requested 1991-1992 county funds. The amphitheater funds are still intact because payment is being withheld until repairs are in place. The official budget resolution will be presented for the Board's approval in September. In answer to Mr. Bailey's question regarding tuition, Dr. Thornburg explained that tuition flows through the College and does not serve as revenue to the College. Tuition is deposited daily with a local bank and is under the control of the Department of Community Colleges.

Chairman Schenck asked for a motion to approve the Institutional Budget plan for 1991-92. The motion was made by Mr. Banks and seconded by Mrs. Spragins. The motion was approved.

Chairman Schenck asked for a motion to approve the Interim Budget Resolution, which gives the President authority to disburse funds until the official budget is enacted and approved by the Board in September. The motion was made by Mr. LeGrand and seconded by Mr. Piercy. The motion was approved.

Chairman Schenck asked Dr. Thornburg for an explanation of the Investment of Idle Cash Policy. Dr. Thornburg noted that the State requires fairly tight guidelines on county or institutional funds, and that "idle cash" funds are those funds generated by the snackbar, bookstore, and student activity fees and are different from Foundation Funds. The College has customarily operated under an unwritten policy of depositing idle cash in insured county banking institutions. One of the recommendations made by the Southern Association of Colleges and Schools was to develop a written policy. The Chairman asked for a motion to approve the Investment of Idle Cash Policy. The motion was made by Mr. LeGrand and seconded by Dr. Lampley. The motion was approved.

The Chairman asked Dr. Thornburg for his recommendations for re-employment of faculty and staff for fiscal year 1991-92. Dr. Thornburg stated that no lay-offs are envisioned providing funds are available. He recommended that all current faculty and staff be retained:

At Chairman Schenck's request, Dr. Lykins introduced a new employee, Caroline Moore, an admissions counselor in Student Services. Ed White requested educational leave for three employees: Katherine Jones, from September through November, to complete her master's degree in nursing at East Carolina University; Hal Bryant, for a reduced teaching load from 15 to 10 hours during summer quarter to work on his master's degree in art at the University of South Carolina; and for Steve Martin, to work during summer quarter at McDowell Technical Community College toward a two-year degree in graphic arts. The motion to approve educational leave for the three instructors was made by Dr. Yarboro and seconded by Mr. Banks. The motion was approved.

Chairman Schenck invited discussion of future meeting dates of the Board. Dr. Thornburg explained that in compiling the list of meeting dates, Mr. Schenck and he used the usual format of third Tuesdays at noon, and scheduled five bi-monthly meetings, skipping summer. Chairman Schenck expressed his desire that the Board tour Greenville Technical College this summer. There were no objections to the proposed meeting dates and times.

Chairman Schenck announced that he had named Grady Howard, David Banks, and Stuart LeGrand as the nominating committee to recommend officers at the September Board meeting.

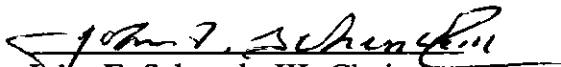

In the President's report, Dr. Thornburg extended his thanks to the Board for their participation in the College's events throughout April as part of the Inaugural month activities and 25th anniversary celebration. He said the April 24 dedication of the amphitheater was well-attended and well-received as a superior facility. The amphitheater was accepted on a conditional basis because of remaining problems with the lighting system. Other information included: an update on the Southern Association of Colleges and Schools report; the formation of a Planning Council that is new and separate from the College's Administrative Council; the development of the next year's goals and objectives to be addressed by each administrator, faculty member, and support staff member; the involvement of Channel 22 and radio station WOHS in developing a program on Cleveland County Challenge which identifies needs and issues of concern for Cleveland County; the use of new and existing campus signs to encourage ease of direction; thanks to Chairman Schenck, Mr. Howard, Mr. Piercy, Mrs. Spragins, Mr. Banks, and Mr. LeGrand for attending the NCACCT spring meeting and legislative day in Raleigh; and a reminder of the 25th annual graduation to be held May 29 in the Petty Amphitheater.
